BANGALORE KRISHI EXPO 2026

Bangalore, the vibrant capital city of Karnataka, is strategically located and well-connected by road, rail, and air, making it an ideal hub for commerce and innovation. While Bangalore is known as the 'Rice Bowl', Bangalore is the nerve center for diverse industries, including a burgeoning agri-tech sector. The city is surrounded by innovative farming initiatives and hosts numerous agri-based manufacturing, processing companies, and highly progressive farmers and agribusiness professionals.

We are pleased to announce the launching of Bangalore Krishi Expo 2026, the largest Agricultural Exhibition & Agri Business Summit scheduled to take place from 8th, 9th & 10th May 2026, at Bangalore, Karnataka, India.

Bangalore Krishi Expo 2026 would showcase latest technological innovations and practices in Agriculture, Horticulture, Food Processing, Poultry & Dairy and more than 350 agro based companies from all sectors will be participating in trade fair

Greetings from Agro India

The objectives of Bangalore Krishi Expo 2026 are to create a platform for all related with Agri Business and farming activities in exploring new business opportunities, creating avenues for Agri entrepreneurs, meeting of producers, distributors and ultimate users of various Agri products & services and help agricultural community to find solutions to the inherent problems.

We expect more than one lakh Urban and Rural Farmers, Agri Innovators and Agro Entrepreneurs from all States of South India Viz., Karnataka, Andhra Pradesh, Telangana, Tamil Nadu, Kerala and other states of India. The event is supported by Government of Karnataka apart from Ministry of Agriculture, Government of India.

Indian Council of Agricultural Research with its various Research Institutes from different places are active partners in Bangalore Krishi Expo 2026. Similarly, many trade bodies like Karnataka Management Association are partnering the event who have agreed to sponsor their members to participate in the exhibition in large numbers.
